

## **Party Information**

We will arrive approximately 15 minutes before the party to set up.  
We will need a cleared area with a table and three chairs to do the makeovers.

We will be with you for approximately one and a half hours. This should allow you plenty of time to do food/Birthday cake after the makeovers are complete. Please can ensure that all girls are not wearing nail polish and that their hair has been brushed through to remove tangles. On girls with blonde hair we recommend only using glitter spray, we have found in the past that the colour sprays do not shampoo out of hair easily.

The girls' hair will be glitzed and styled with a great selection of hair accessories including hair extensions and various colours and designs which they get to keep.  
Their make up will be personally applied with beautiful colours, making them sparkle and shine, using hypo-allergic products from Body Shop, Revlon, Barry M and Clinique.  
We will apply a sparkly art tattoo and paint their nails with a colour of their choice and apply a bindi or gem.

Whilst the makeovers are taking place the girls are kept entertained by making beaded bracelets, arts and crafts. A karaoke machine gets them singing to the latest sounds and a dance mat is for the more energetic!

We can also apply supply, on request, a disco light and bubble machine (which is suitable for outdoors only as it can be quite messy). A supervising adult will need to be available for these activities and access to electric sockets will be required.

Once the makeovers are complete, we will take a digital photograph of the party girl and also a group photograph for her to keep as a memento of the "Totally Chic" transformation.

As an alternative, let us take the hassle out of sorting out party bags! For only an additional £2.00 per child (or £20 minimum) we can provide a Totally Chic gift pack containing an array of hair accessories and make-up. Or we have beautiful jewellery sets which include a necklace, ring, matching hair clips or bracelet.  
These packs are excellent value for money and are an ideal follow on theme for your party and your friends will be really impressed!

Thank you for booking a Totally Chic Party. We will endeavour to make your party a day to remember!
